

# Sarah Vaughan - Slow, Hot Wind

His gaze  
Swept over me now  
a slow hot wind

Some days  
It's too warm to fight  
A slow hot wind

There in the shade  
Like a cool drink waiting  
She sat with slow fire in her eyes  
Just waiting

Some days  
It's too warm to fight  
A slow hot wind

Music by Henry Mancini  
Lyrics by Norman Gimbel
